

Privacy Policy

Dear Member

There are new data regulations coming into effect this month to protect you and your personal information. The committee has determined that BWCB is allowed to hold and process your personal data under the heading of Legitimate Interests.

The data that we hold consists of names and contact details. These are used to generate registers and to keep you informed about band business. Your data are held by the Membership Administrator and by a representative of each band or off-shoot group. BWCB will not share your details with any other member of BWCB or any other organisation without your permission. Your data will be kept until you leave BWCB unless you instruct otherwise. If you would like your data to be deleted, you may do so at any time by contacting the Membership Administrator; BWCB would not then be able to contact you.

Regards

BWCB Committee
